MEMORANDUM

September 24, 2026

TO: John Mertlich, General Manager/Chief Executive Officer

VIA: Ty Ehrman, Sr VP Retail Operations *TE*
Fallon Long, Vice President of Shared Services FL
Patrick Bishop, Senior Manager of Supply Chain/Procurement *PB*

FROM: Lori Englehart-Jewell, Supply Chain Supervisor - Procurement *LEJ*

SUBJECT: Small Works Contract Provisions and Related Policy Delegation

Purpose: To adopt the small works contract provisions of Chapter 39.04 RCW, Public Works, as amended from time to time and maintain the delegation of authority for approval of Grant PUD's small works contract policies to the General Manager/CEO.

Discussion: The small works contract provisions of Chapter 39.04 RCW are periodically revised by the Washington State Legislature. This includes, but is not limited to, revisions related to procedures for the use of a small works roster (RCW 39.04.151), associated dollar limits (RCW 39.04.152), and requirements to post a list of awarded contracts (RCW 39.04.200).

The most recent change was approved this year, with new small works contract limits going into effect on January 1, 2027. Historically, a new resolution has been passed by Grant PUD each time these changes by the legislature occur. To minimize the administrative processes associated with these changes, staff recommends that the Commission adopt the small works contract provisions of Chapter 39.04 RCW, as amended from time to time, and maintain the delegation of authority for approval of Grant PUD's related policies to the General Manager/CEO provided such policies are compliant with Chapter 39.04 RCW. For clarity, this means future revisions to the statutes that impact Grant PUD's small works contract policies would not require further Commission action.

This action will supersede Resolution No. 9049 adopting certain small works contract limits on May 14, 2024.

Recommendation: Commission approval to adopt the small works contract provisions of Chapter 39.04 RCW, Public Works, as amended from time to time, and maintain the delegation of authority for approval of Grant PUD's small works contract policies to the General Manager/CEO provided such policies are compliant with Chapter 39.04 RCW.
