Action Items

- L. Rohrbach will reach out to the PRCC Hatchery Subcommittee (HSC) and PRCC Habitat Subcommittee (HabSC) and their Chair with a list of questions raised by the PRCC PC.
- L. Rohrbach will develop a draft Statement of Agreement (SOA) for PRCC PC review and further discussion. The SOA will document consensus among the members that attended the PRCC PC September 16 meeting, will provide guidance for PRCC subcommittees on White River spring Chinook Salmon mitigation, will acknowledge the need for future technical work, and will document timelines for commitments.

- L. Rohrbach will reconvene the PRCC PC, as needed, to discuss and revise the draft SOA.
- Anchor QEA will keep National Marine Fisheries Service (NMFS) representatives informed of next steps and upcoming decision needs for signatory parties.

Review Items

- A draft SOA is forthcoming.

Decisions and Approvals

- None.
