

Transmission Rate Development Topics
Grant County PUD Commission Room – Ephrata, WA

May 1, 2019 1:00 pm

Agenda

Meeting Call in Information: 1-877-668-4490, 1-408-792-6300 access code: 807 261 134

Safety Briefing- Rich Flanigan

Introductions – Rich Flanigan

Purpose of today’s meeting – Dave Churchman

Process and timeline going forward – Andrew Munro

Background – Rod Noteboom

- Non Discriminatory
- Non-Retail service
- Grant has retained a consultant (GDS) to assist in the development
- Grant PUD is also a customer for rate calculations

Transmission Cost Allocation Topics – Rich Flanigan

- 1 CP vs 12 CP or other
- Urban and Rural Differentiation
- Coincidental vs non-coincidental peaks
- Basic format of rate to small low voltage loads (demand, energy, fixed)
- Overheads
- Ancillary including losses
- Other cost allocation topics per customer interest

Wrap Up and Next Steps – Rich Flanigan
